Coleção Fernando Cardim de Carvalho

O Prof. André Modenesi, Coordenador do Observatório do Banco Central (OBC) é o curador da Coleção Fernando Cardim de Carvalho, parte da biblioteca do Professor Emérito Fernando Cardim de Carvalho doada – por sua esposa, Fernanda Carvalho, e por seu filho, Thiago – aos Pesquisadores do OBC oriundos do Grupo de Estudos sobre Moeda e Sistema Financeiro. Trata-se de um valioso acervo, particularmente para os interessados na teoria Pós Keynesiana, que não poderia ser privado do público. Assim, acordamos em doa-lo para a Biblioteca Eugênio Gudin (BEG), do Centro Ciência Jurídicas e Econômicas (CCJE) da Universidade Federal do Rio de Janeiro (UFRJ).
